# ABOUT US

We are Heather and Chelsea. Mamas, neighbors, and best friends. Our story began when our little girls met and immediately bonded. While the girls would play, we would often chat about motherhood, careers, and hobbies.

It wasn't long before we realized that we both shared a passion for party planning. We would daydream together about shifting our careers in a way that would embrace our love for our girls and hosting.

Then one day, as we listened to our girls' giggles fill the room while they pretended to do their makeup, the idea for Giggles and Glam was born.

We bring the party to you! We currently travel to all cities in Maricopa County, with a travel fee for locations outside of a 20 mile radius of 85381.

We offer a variety of services and themes, with customization options available to create a personalized experience.

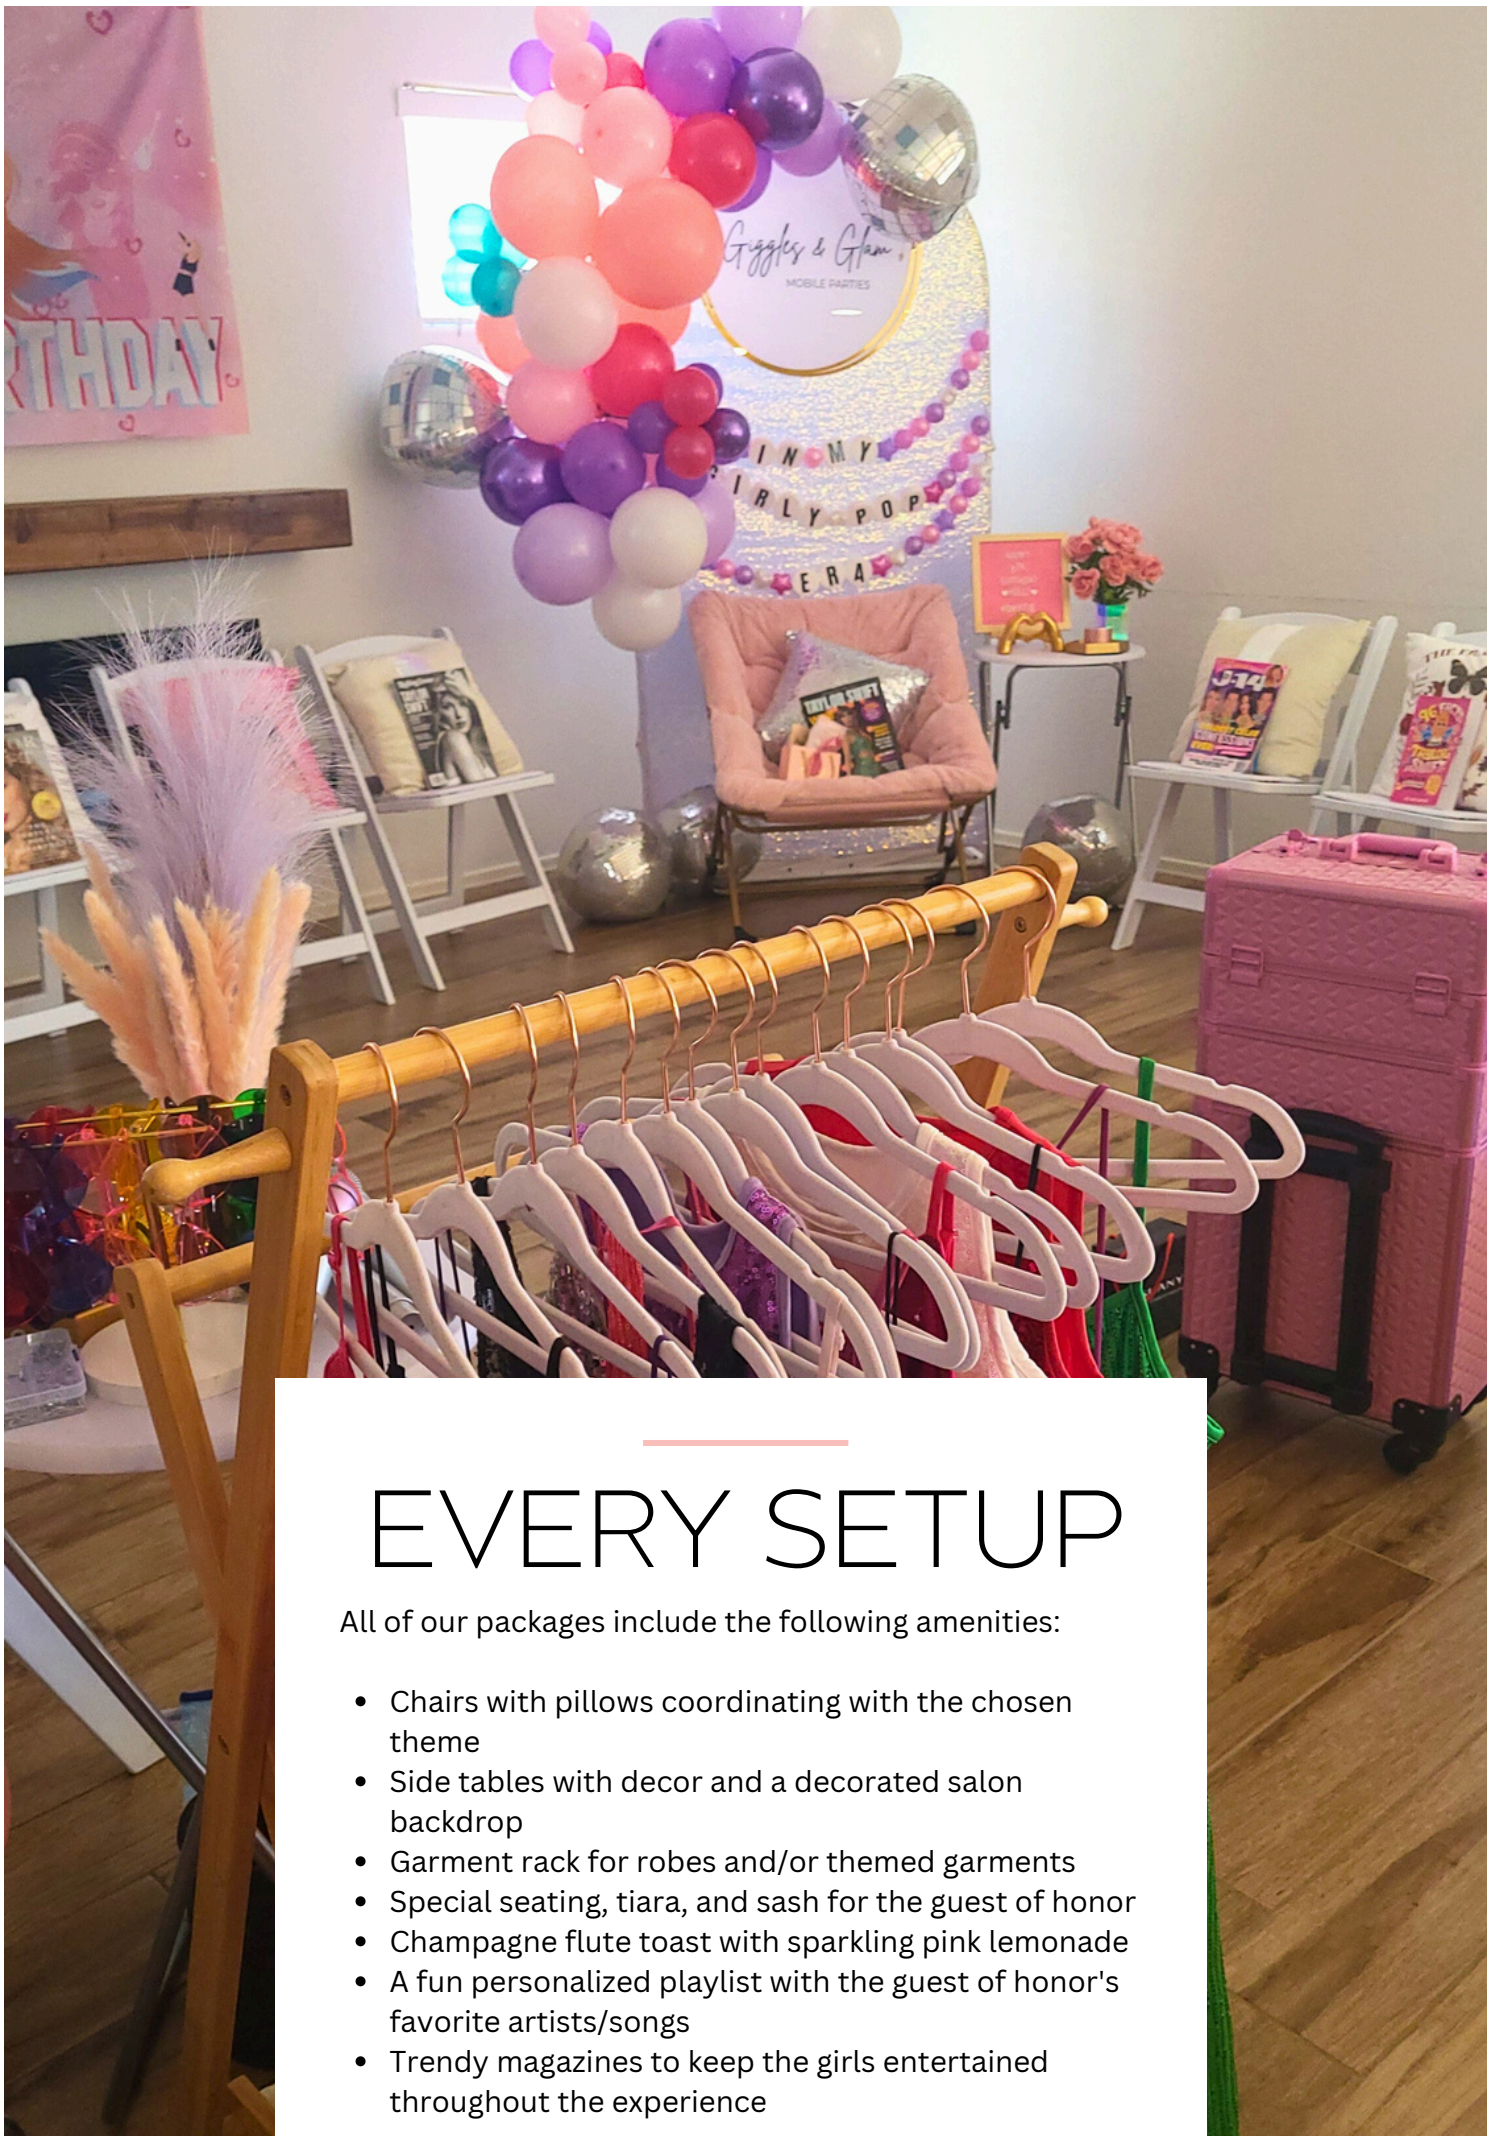

We take customer service very seriously, always striving to create seamless and stress-free experiences for our customers.

From entertainment, to seating, to personalized gifts, and complimentary party invitation design you can tackle most of your party planning tasks with us!

## What do customers need to provide at the party?

A typical party of 8 does require at least an 8x8 cleared space for our setup. Spa parties we need access to water and a place to dump used water. ## When do you arrive to set up?

For most parties we will arrive an hour prior to the start of the party to set up. For parties with certain additional services we will typically arrive 90 minutes prior to the start of the party.

## Is gratuity required?

While gratuity is not required, we are a service-based business providing a full-service experience, so tips are very much appreciated for stellar service by our hard-working hostesses. All tips are split evenly amongst hostesses of your party.
